

AUDIO UPGRADES BY KICKER

BRING THE THRILL OF OUTDOOR CONCERTS INDOORS

FEATURES AND BENEFITS

- Adds big-bass subwoofer in a small space, along with high-efficiency, low power-draw amplifiers and a unique sound signature from the multichannel 32-bit DSP amp
- 200-watt powered Kicker subwoofer with quick-connect wire harness to easily secure or remove when needing cargo room (sold only in kit with 32-bit DSP amp)
- Combined kit “kicks out” 400 watts of power
- Plug and play – no wire cutting or vehicle modifications
- Cosmetically integrated original factory look
- Minimally impacts vehicle’s charging system
- 3-year/36,000-mile Kicker warranty** when installed by an authorized GMC dealer

For installation instructions, please visit AIC and select Kicker under the IBP section.

Note: Not compatible on vehicles equipped with pedal extenders.

Equipment shown is from an independent supplier and is not covered by the GMC New Vehicle Limited Warranty. GMC is not responsible for the safety or quality of third-party supplier alterations. For details on the warranty provided by Kicker, please call 1-800-256-5425.

*Manufacturer's Suggested Retail Price. Tax, title, license, dealer fees and other optional equipment extra. Labor and Installation charges not included. Price subject to change without notice.

**Whichever comes first. See dealer for limited warranty details.
